PRESIDENT'S MESSAGE

Hello all,

Wow, the year is just flying by. We are already having our last meeting for the 2022-2023 Guild Year on June 14th, 2023 @ 6:00 p.m. and with that comes our Annual General Meeting, Elections, Pot luck and we are also going to have a fabric sale.

We have received a large donation of fabrics and I will get as much together as I can before the meeting so bring your "grocery bags" and fill for \$2.00. Don't forget your change.

I have attended a few quilt shows and it's surprising how the quilts are so different in all the shows. At the Bracebridge Quilt Show the demos were done by Kathy K. Wylie and the one demo that I saw was the "Apliquick" tool. I'm going to give it a try, I have an appliqué project that has yet to be completed, only have one block of 13 done.

As you plan for your summer activities, look for Quilt Shows, grab a friend and take a road trip and keep an eye out for the "Row by Row", visit quilt shops along the way and start collecting.

Hope to see you all at the upcoming meeting. Keep on Quilting.

Jan Dzoch
President

2023 Quilt Show

I can't believe it is June already. The 2023 Quilt Show was more than a month ago and I hate to admit I haven't touched my sewing machine since then.

I am pleased to announce the Quilt Show earned \$3,720.33 for programing, special speakers and perhaps assistance towards workshops.

The Quilt Show Committee will be looking for new members for the 2025 Show. Please give consideration in joining the Committee. If anyone is interested, please feel free to contact me with questions about the Committee and positions open at this time.

I'm looking forward to seeing everyone at the June 14th meeting for the year end pot luck and AGM at 6 pm.

Quilt Show Chair **VACANT** position

If this guild is to continue offering programs, workshops and fellowship into the future; then all of the positions on the executive must be filled. There are people who have been on the executive for quite a few years. We need new blood, fresh ideas and energy. Maybe you and a friend can job share. Program and workshops should have 2 – 4 people. This is so that there is always an experienced person to help newcomers to the committee.
